PowerPoint® Presentation
Category Description and Guidelines

Students are invited to prepare a spoken language performance accompanied by a PowerPoint® presentation in a Native American language. Presentations may cover any number of topics and should use the PowerPoint® as a supplement to their presentation. This category encourages students to use Native language in digital media and fosters confidence in oral presentation.

**Judging Performances**

A panel of at least 3 elders, Native language teachers and/or Native speakers will judge performances on these criteria:

- Amount of Native American language used
- Presentation and poise of performance
- Ease and comfort of language use
- Use of the PowerPoint® medium

**Notes**

- It’s better to focus on Native language use than to worry about visual or sound effects!
- If you embed video or audio files in your presentation, make sure to save them on your disk!
- You must pre-register to receive t-shirts and awards. Please do so as early as possible.
- Limited rehearsal space is available. This space is shared with other groups.
- Contact us if you’re concerned about whether your props and regalia count as “organic.”
- Make sure you keep a copy of your presentation just in case there are problems with delivery.
- Questions? Comments? Help? Contact us at onaylf@snomnh.ou.edu or at (405) 325-7588.

By entering a performance category, you are agreeing to allow the ONAYLF and/or Sam Noble Oklahoma Museum of Natural History to video record the performance.
