**Judging Submissions**
Material submissions are pre-judged before the Fair. Please have the student(s) complete the Material Submission Form to explain more about the video and its personal significance for the filmmaker(s). A panel of at least 3 elders, Native language teachers and/or Native filmmakers will judge films on these criteria:

- Amount of Native language used
- Creativity and effort
- Quality of video relative to the age group

It’s better to focus on Native language use than to worry about flashy video effects.

Awards will be presented at the film screening, but you don’t have to be present to win.

**Notes**
- You must pre-register to receive t-shirts and awards. Please do so as early as possible.
- Make sure you keep a copy of your video just in case there are problems with delivery.
- Questions? Comments? Help? Contact us at onaylf.samnoblemuseum@ou.edu or at (405) 325-7588.

By entering a material submissions category, you are agreeing to allow the ONAYLF and/or Sam Noble Oklahoma Museum of Natural History to retain a digital copy or scan of your material submission. This record will become part of the Native American Language collection at SNOMNH and is open access (but is not copyrighted to the museum). It may also be used in promotion of the ONAYLF, in Native language teacher training workshops, or in related NAL programs.
