Welcome to the Sam Noble Museum!

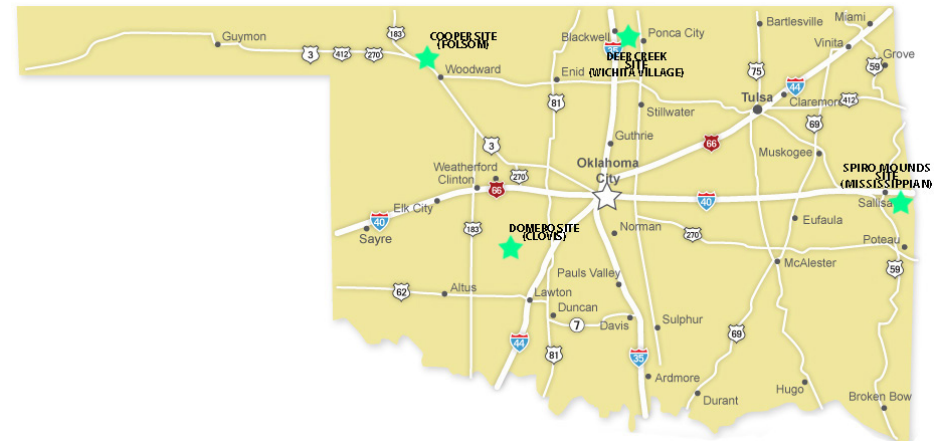

These gallery activities are designed to be completed by a student or group of students, with the help of an adult.

Gallery Guides are available for each of the museum's three permanent galleries.

The Hall of the People of Oklahoma takes you through the 30,000-year history of the Native people of the state. The gallery displays artifacts and objects made and used by people from cultures past and present. These artifacts provide scientists with evidence of how these cultures lived.

Gallery highlights include stone spear points and tools used by the Clovis and Folsom people; the "Cooper Skull;" a cedar canoe from the Mississippian culture; and clothing, jewelry and pottery that illustrate the Native American experience in Oklahoma in the 19th, 20th and 21st centuries.
