

OKLAHOMA NATIVE AMERICAN YOUTH LANGUAGE FAIR 2023

Master Performers: Language and Song

Category Description and Guidelines

Students who have grown up speaking a Native language in their home or community (first language speakers) are invited to take part in a special performance category that showcases their advanced abilities. Students display creativity and skill using Native language in stories, narratives, monologues, skits, dramas, dialogues, puppet shows, songs or poems. Both original and traditional performances are encouraged. This category recognizes that first language speakers have different skills than students who learn languages primarily in the classroom setting (second language speakers).
