FOOD AND LODGING

We will provide all Science Institute participants with housing near the University of Oklahoma campus. You are encouraged to stay in this housing during the workshop (or guarantee your availability during the **entire** workshop). We expect no late arrivals or early departures. We will also provide breakfast, lunch and snacks during the workshop.

Do you have any special housing or food needs? Yes No

If yes, please identify your special needs _____

EXPECTATIONS

I understand that I am expected to attend all parts of the workshop. I also understand that I will be expected to complete an evaluation and additional distance learning professional development during the fall of 2019 and/or spring of 2020.

Signature of Applicant

Date

Please print short answers to the following questions in the space provided.

1. Why are you, personally, interested in participating in Science Institute?

2. This program focuses on science and using the outdoors. What types of things do you like to do outdoors and in nature?

3. Define science in your own words and tell why you like science.

4. Describe something that makes you different from other applicants for this program.

5. Does your school have a science club or other extra-curricular science opportunities?
If so, please describe. Are you involved in these opportunities?

Please attach a one-page response answering the following question:

Why do you think you and your students will benefit from Science Institute?

Please attach a copy of your resume for your application to be considered complete.

Applications for Science Institute 2020 must be submitted by March 31, 2020.

Science Institute

Application 2020: Administrator Section

Teacher _____ School _____

Dear Principal,

The teacher named above has applied to participate in Science Institute, a program through the Sam Noble Museum at the University of Oklahoma that engages teachers and students doing science. We would appreciate your honest appraisal of the applicant.

12 teachers will be selected for this science program.

Principal Section may be returned to the teacher. Or sent directly:

Email – explorology.samnoblemuseum@ou.edu / Saved as PDF / Subject: SI "Teacher Name"

Fax - (405) 325-4436

Postal Mail –ExplorOlogy®, Sam Noble Museum
2401 Chautauqua Ave. Norman, OK 73072

Recommendation is due at the Museum no later than **March 31, 2020** (postmarked).

Administrator Name _____

Email _____ School/Daytime Telephone (____) _____

Please provide short answers to the following questions in the space provided.

1. Please describe the applicant's enthusiasm for science and teaching.

2. Teachers will be working with peers and science professionals to study a variety of scientific fields. What strengths does the applicant possess that will make him/her a good team member?

3. In addition to the workshop portion of this program, science outreach programs and educational resources will be made available to all teachers in your school. Are you interested in these types of opportunities?

I support this teacher's application for Science Institute.
