

OKLAHOMA NATIVE AMERICAN YOUTH LANGUAGE FAIR 2022

Poster Art (Electronic Submittal only)

Category Description and Guidelines

Students are invited to enter poster art using the annual language theme. The original artwork should include Native language. This category encourages students to express themselves about language even if they have no access to practicing spoken language or before they feel comfortable with an oral presentation. The poster should include Native language as a part of the design. The Grand Prize poster art each year becomes the graphic design for the next year’s Fair. **Photographs of each poster will be submitted for judging.**

The Grand Prize will be awarded to a single poster out of all entries, regardless of age range. In selecting the Grand Prize poster, the judges will consider how easily the poster can be converted to a graphic design. Small lettering, small figures, and number of colors may be considered.
