

OKLAHOMA NATIVE AMERICAN YOUTH LANGUAGE FAIR 2022
Spoken Language Performance (Electronic Submittal Only)

Category Description and Guidelines

Students recite or perform in Native languages. The spoken language category, as opposed to spoken prayer, spoken poetry and skits/short plays, involves telling stories, narratives, and original spoken language that inspire lighthearted fun. Presentations promote fluency, confidence and creative expression in Native speech. Young language learners explore storytelling and dialogue in Native languages and gain experience with public speaking.

Spoken Language Performances are video-recorded and the recording is submitted.

- Your performance can include song, but if music is a major part of the performance, please register under either modern song or traditional song categories as appropriate.
- If the students are performing a skit, short play or puppet show, please register in the Spoken Language-Skit/Short Play or Spoken Language/Puppet Show category.
